28 JUN 1963

Dear Mr. Holland:

Thank you for your letter of 20 June regarding the application of Mr. [ ] for employment with this Agency.

We have reviewed Mr. [ ] file and find that he was not offered employment because his qualifications, in the broadest sense of this term, did not meet our overall standards of employment. In advising [ ] of this decision, we indicated that this conclusion was based on an evaluation of his entire record and that no single factor was determining. Our personnel in the category for which Mr. [ ] was considered must meet the highest standards of personal, technical, and medical suitability. They are subject to service in locations requiring a high degree of technical competence under trying working and living conditions. We did not find Mr. [ ] seriously deficient in relation to any specific requirement but it is our best judgment that he does not fully meet the overall employment standards involved.

The fact that Mr. [ ] was married while his application was under consideration had no adverse influence on the conclusion reached.

Your interest in clarifying the basis for our action on Mr. [ ] application is appreciated. We hope that the information provided above will be helpful in this regard.

Sincerely,
